For over ten years, NASENI has been consistent in championing solar power as an alternative to hydro and fossil power sourcing. And it was to this end that the agency established NASENI Solar Energy Limited (NSEL) in Karshi, Federal Capital territory, with a mandate to deliver alternative solar energy to homes and businesses in Nigeria.

Nigeria Industries Can Operate 100 % on NASENI Solar ENERGY ...

A State government currently is at the verge of being an off-taker of NASENI solar. What is NASENI Solar current full installed capacity or what level of Megawatts can NASENI Solar generate? The answer to this question is relative and when I say relative it is that power generation through solar is infinitum.
