## Lodestone Energy

We're taking New Zealand's solar production to a new scale, reliably and efficiently feeding electricity into local networks and the national grid. Better yet, our agri-voltaic design allows machinery to operate and livestock to exist happily around the solar arrays, meaning agriculture and grazing can continue.

## New Zealand steps up approvals process for large-scale PV projects

Ten large-scale solar farms planned for New Zealand's North and South islands are among 22 renewable energy projects with a combined capacity of 3 GW that have been listed for inclusion

## Meridian Energy, Nova Energy combine to build solar farm

3 · In a statement, Nova Energy chief executive Babu Bahirathan said the partnership demonstrates the power of collaboration on renewable energy.
