

Papua New Guinea 800w solar panel price

Papua New Guinea 800w solar panel price

Home

At PNG Solar Supplies, we design, build and install customised solar power systems to meet the specific needs of our customers. From modifying existing solar boards to installing new solar panels, our services range from 1KVA to 100KVA.

Solar -- MAF Technologies Papua New Guinea

These solar solutions come in set kits that included lights, battery boxes and a solar panel ranging from small 5 volts panel to a 12 volts panel which is the largest of the kit. We also sell other solar products like solar panels, invertors, solar controllers, solar cables, solar batteries and lights.

What We Do

At PNG Solar Supply, we want to provide you with the tools you need to set up your solar systems. We are an experienced Papua New Guinean owned business focused on offering products from diverse manufacturers to best suite your needs. We have a team that is able to help with design, and we handle everything for you.

Top Solar Panel Wholesalers Suppliers in Papua New Guinea

Currently, 2.5 Megawatts worth of solar projects are underway across three solar plants in Papua New Guinea. Although on-grid solar lighting is a course for concern, the country has emerged as one of the world's largest off-grid solar markets. To be precise, 60% of households in Papua New Guinea rely on off-grid solar for daily lighting needs.
