Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three white, stacked solar energy storage units on wheels. The units are arranged in a row, with the smallest unit on the left (20 Kwh), a medium unit in the center (30 Kwh), and the largest unit on the right (50 Kwh). Each unit has a digital display and control panel on its front. The background shows a house and a snowy mountain range. The text highlights features like high conversion efficiency, communication capabilities (CAN, RS485, WIFI, 4G, Bluetooth), and a thick protective shell for the cells.
