Home , SSE Pacifico

SSE Pacifico was formed in October 2021 to deliver offshore wind projects in Japan. SSE Pacifico K.K. is a Joint Ownership Company between SSE Renewables, part of the integrated UK-listed energy group SSE, and Pacifico Energy,

one of Japan's largest developers of renewable energy.

SSE Renewables closes agreement to form Japanese offshore wind company

SSE Renewables has closed the agreement to form a new joint ownership company, SSE Pacifico, which will pursue the development of offshore wind projects in Japan. The deal includes the acquisition by SSE Renewables of an 80% interest in an offshore wind development platform from Pacifico Energy.

SSE Renewables, Pacifico set up Japanese offshore wind JV

The new entity is called SSE Pacifico, the UK group said on Monday. As part of the agreement, SSE Renewables will pay USD 208 million (EUR 179.3m) to take an 80% stake in an offshore wind development platform from Pacifico Energy.

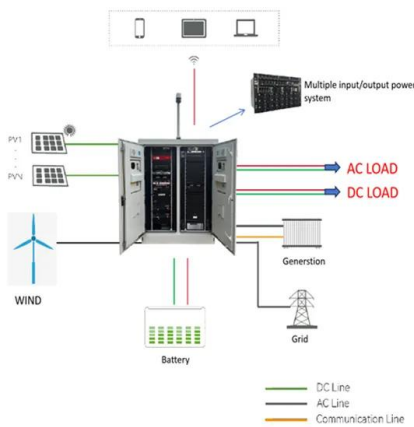

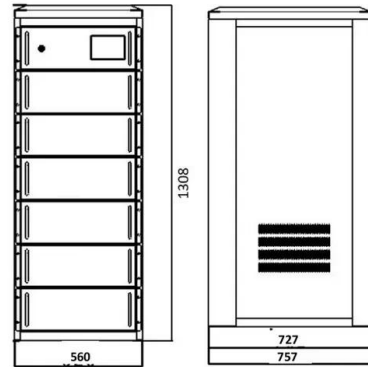

Japan's Offshore Wind Expansion with SSE Pacifico's ...

SSE Pacifico's 6GW pipeline represents a significant contribution to Japan's offshore wind ambitions. Dai Karasawa, president of SSE Pacifico, highlighted the company's target to deliver projects within this pipeline.

SSE Pacifico plans to develop 6 GW of offshore wind capacity in ...

SSE Pacifico, the Japanese subsidiary of the UK energy group SSE, has announced plans to develop 6 GW of offshore wind capacity in Japan and to bid in the country's domestic offshore wind auctions. About half of the targeted capacity will be fixed-bottom type, while the other half will be floating. SSE Pacifico's pipeline notably includes a planned 500 MW ...

Who we are

SSE Pacifico was formed in October 2021 to deliver offshore wind projects in Japan. SSE Pacifico is a Joint Ownership Company between SSE Renewables, part of the integrated UK-listed energy group SSE, and Pacifico Energy, one ...

SSE Pacifico and partners to develop floating offshore wind plant

SSE Pacifico and its consortium partners have secured public funding for a 30MW floating offshore wind demonstration project offshore Akita Prefecture, Japan. The project, which will be situated in waters up to 400m deep, will be one of the deepest offshore wind developments globally.

SSE Renewables, Pacifico set up Japanese offshore ...

The new entity is called SSE Pacifico, the UK group said on Monday. As part of the agreement, SSE Renewables will pay USD 208 million (EUR 179.3m) to take an 80% stake in an offshore wind development platform ...

Minami Izu

Minami Izu - SSE Pacifico Offshore Wind Farm Japan Concept/Early Planning 500 MW Capacity
14 Jan 2022: No progression in the EIA process in more than 2 years. Project Details Supply Chain Vessels Project Dates. General Information.
Name. Minami Izu - SSE Pacifico. Other Names

20240613 , SSE Pacifico

This demonstration project will play a critical role in enhancing real world knowledge about deploying floating wind at such depths, not only in Japan but globally. It further enhances SSE's standing in floating wind technology and builds on our strong collaboration with Marubeni on the Ossian floating wind project in the UK."

SSE and Pacifico create new offshore wind ...

A partnership between the Australia-based company, SSE Renewables, and Pacifico Energy, a Japanese energy company, has been established to manage a new organisation. SSE will acquire an 80% stake in ...

Company information

Company name: SSE Pacifico K.K. Founded: 29th of October 2021 CEO and Representative Director: Dai Karasawa Main business: Development, construction management and operation of offshore wind farms Location: Roppongi Grand Tower, 3-2 ...

Japan's Offshore Wind Expansion with SSE Pacifico's 6GW Project ...

This move comes as SSE Pacifico, the Japanese subsidiary of UK-based developer SSE Renewables, announces ambitious plans for a 6GW offshore wind pipeline in the country. Despite being heavily reliant on fossil fuels, Japan has set ambitious targets for offshore wind development, aiming for 10GW of capacity by 2030 and up to 45GW by 2040

20240613 , SSE Pacifico

Success in this bid process will allow SSE Pacifico, alongside key development consortium partners, to build a greater understanding of deploying floating offshore wind energy technology in Japan, a key target market for offshore wind growth with the world's sixth (*1) largest seabed area. Dai Karasawa, President of SSE Pacifico, said:

20240308 , SSE Pacifico

Kan Watanabe, Head of Engineering, SSE Pacifico, participated as a panelist in the discussion titled "Japan's challenge to become the world's leading floating wind power generation country". Watanabe introduced SSE Renewables' Ossian Project (a joint venture between SSE Renewables, Marubeni Corporation and Copenhagen Infrastructure
