Sierra Leone ginlong solis

Ginlong (Solis) Technologies Co., Ltd , Solar Components , China

Company profile for solar Component and category_singular_software manufacturer Ginlong (Solis) Technologies Co., Ltd - showing the company's contact details and offerings.

About Ginlong

Solis is one of the oldest and largest global string inverter specialists, that manufactures string inverters for converting DC to AC power and interacting with utility grid, which help reduce the ...

Solis named global market leader in single-phase string

Solis (Ginlong Technologies) has announced that it has been ranked number 1 for global residential inverter shipments in the latest Wood Mackenzie inverter market share report.

Ginlong to double string inverter manufacturing capacity

PV string inverter manufacturer Ginlong Solis Technologies is to double its manufacturing capacity to 20GW per annum via a US\$100 million non-public offering to meet growing

demand for its

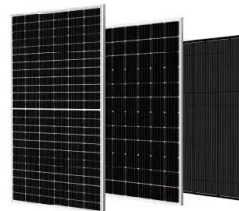

About Ginlong

Solis is one of the world's largest and most experienced manufacturers of solar inverters supplying products globally for multinational utility companies, commercial & industrial rooftop projects, and residential solar systems.

About Ginlong

Solis is one of the oldest and largest global string inverter specialists, that manufactures string inverters for converting DC to AC power and interacting with utility grid, which help reduce the carbon footprint of human s

Ginlong (Solis) Technologies Co., Ltd , Solar ...

Company profile for solar Component and category_singular_software manufacturer Ginlong (Solis) Technologies Co., Ltd - showing the company's contact details and offerings.

15 years On, Ginlong Solis Is A Solar Champion

For Ginlong Solis, the 15-year journey has been a rewarding trip, with its products sold in 100+ countries and regions today, with a total installed capacity of 15 GW +. That translates to a reduction of 5,864,660,000 tons of ...

Developing Technology

Established in 2005, Ginlong Technologies is one of the world's largest and most experienced manufacturers of solar inverters for utilities, commercial & industrial, and residential use. Trading under the brand name Solis, our cost effective and innovative string inverter technology is ...

Solis Inverters Compatible with Tigo TS4 MLPE

Is your Solis Inverter compatible with Tigo MLPE? We've compiled a list of Solis inverters that have been compatibility tested with Tigo TS4 Flex MLPE, including Tigo TS4-A-O (optimizers), ...

Efficient Higher Revenue

- Max. Efficiency 97.5%
- Max. PV Input Voltage 600V
- 150% Peak Output Power
- 3 MPPT Trackers, 150% DC Input Overrating
- Max. PV Input Current 15A, Compatible with High Power Modules

Intelligent Simple O&M

- IP66 Protection Degree: support outdoor installation
- Smart I-V Curve Diagnosis Function: locate PV string faults accurately and automatically detect faults
- DC & AC Trip & SPD: prevent lightning damage
- Battery Reverse Connection Protection

Flexible Abundant Configuration

- Plug & Play, EPS Switching Under 10ms
- Compatible with Lead Acid and Lithium Batteries
- Max. 6 units Inverters Parallel
- ARC Function (Optional): when an arc fault is detected the inverter immediately stops operation

Solis Inverters Compatible with Tigo TS4 MLPE

Is your Solis Inverter compatible with Tigo MLPE? We've compiled a list of Solis inverters that have been compatibility tested with Tigo TS4 Flex MLPE, including Tigo TS4-A-O (optimizers), TS4-A-S (safety devices) and TS4-A-F (rapid shutdown devices).

15 years On, Ginlong Solis Is A Solar Champion

For Ginlong Solis, the 15-year journey has been a rewarding trip, with its products sold in 100+ countries and regions today, with a total installed capacity of 15 GW +. That translates to a reduction of 5,864,660,000 tons of CO2 and 1,764,67,000 tons of SO2 from the environment, which is equivalent to planting 195,700,000 trees for the earth.

Solis - 15 Years On

With the firm reporting a failure rate of less than 0.2 percent in an independent DNV-GL reliability audit, Ginlong Solis is well positioned to ride the expansion and growth in solar energy

Developing Technology

Established in 2005, Ginlong Technologies is one of the world's largest and most experienced manufacturers of solar inverters for utilities, commercial & industrial, and residential use. ...

Solis named global market leader in single-phase ...

Solis (Ginlong Technologies) has announced that it has been ranked number 1 for global residential inverter shipments in the latest Wood Mackenzie inverter market share report.
