

Solar business services Switzerland

Solar business services Switzerland

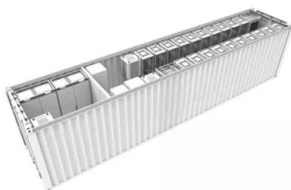

Solar energy for companies: We speed up your solar project

You can count on our comprehensive services - from consulting, implementation and commissioning to maintenance. Focusing on sustainability, cost-effectiveness and security of supply, together we are accelerating Switzerland's solar ambitions.

energy4swiss AG

Wir sind spezialisiert auf die fachgerechte Installation von Photovoltaik-Anlagen; sei es auf Wohn-, Gewerbe- oder Industriegebäuden. Unser erfahrenes Team sorgt für eine reibungslose Umsetzung von der Montage der Solarmodule bis zur Inbetriebnahme der gesamten Anlage - alles aus einer Hand.

Solar Companies

Thanks to its customer first approach and its strong expertise in solar technology, Younergy serves already over 2500 clients in all regions of the country. Rooted on the EPFL campus in Lausanne with strong ties to a world-class engineering community, our PV installers and engineers build the highest quality installations for your home.
