Overview

Looking to unlock all the new aspects, fragments, and grenades for Solar 3.0?

Here's how to get this updated subclass in Destiny 2. Destiny 2's Season of the Haunted has completely reworked all Solar subclasses. Gunslingers, Dawnblades, and Sunbreakers have all been converted from the original subclass branch system into the more recent Aspects and Fragments system. Learn how to use buffs and debuffs to drastically increase. There was one: Resilience grants % DMG reduction (ramps up towards the higher tiers. at 9 it's 32% at 10 it's 40%) I setup my Solar build around that at 100 Resilience in combination with Lorelay Splendor, Sol Invictus (Sunspots) and Roaring Flames. For fragments, the none thst grants Radiant on. The power of the sun in the palm of my hand! With the first season to follow the launch of The Witch Queen, Season 17 has quite a lot to live up to. What better way to follow an extremely successful expansion than with a new subclass rework. Bungie is referring to it as Solar 3.0, and it will. Destiny 2's Solar subclasses got a big overhaul with Season of the Haunted, and there are plenty of new Aspects and Fragments to unlock. Here's our Destiny 2 Solar 3.0 guide, including every Aspect & Fragment. Bungie's loot-shooting MMO-style live service game, Destiny 2, continues to reinvent. Looking to unlock all the new aspects, fragments, and grenades for Solar 3.0?

Here's how to get this updated subclass in Destiny 2. Solar is one of the three original Light sub-classes available to Guardians in Destiny 2. The three Light sub-classes all received a massive overhaul that brought them closer in design to the S t a s i s and Strand subclasses that were released as DLC later on in Destiny 2 's lifespan. This overhaul.
