

Solar container chassis design drawings

Solar container chassis design drawings

2D CAD / 3D CAD

Since 2006, the Container Home Association, also known as the ISBU Association, has been known globally for our high-quality, accurate, and ultra-high-definition Architectural CAD drawings for ISO ...

Design and Analysis of Chassis of Electric Solar Vehicle

In the present work a complete drawing and drafting of solar car have been prepared using Solid works software. After complete analysis of this drawing by using ANSYS 13.0 it is find out bear capability of ...

Design and Analysis of Chassis of Electric Solar Vehicle

This paper depicts the design and scrutiny of the solar-powered car chassis. The investigation has been carried out, considering three different grades of SAE Steel grades (AISI).

Design and Analysis of Chassis for Solar Electric Vehicle

We have studied about the design and analysis of Space frame chassis and learnt about the analyze process like the static analysis and modal analysis in ANSYS. Thus I would conclude

by observing ...

Design & Analysis of Chassis of Solar Car

This paper describes the design concept of this 'alternative' solar car, the mechanical, electrical and telemetry systems and some performance characteristics of the car.
