

Solar container exhibition 2020

Overview

From 10 till 12 March 2020 the 14th International Renewable Energy Storage Conference (IRES 2020) will take place together with the Energy Storage Europe (conference + expo) in Dusseldorf, Germany. From 10 till 12 March 2020 the 14th International Renewable Energy Storage Conference (IRES 2020) will take place together with the Energy Storage Europe (conference + expo) in Dusseldorf, Germany. From 10 till 12 March 2020 the 14th International Renewable Energy Storage Conference (IRES 2020). The region offers tremendous opportunities to suppliers worldwide, having among the strongest solar resources in the world. In particular, the region offers excellent potential for concentrated solar power (CSP) and concentrated photovoltaic (CPV) systems. For more information visit: . Make valuable connections and source new business partners at Intersolar & Energy Storage North America. Build targeted solar + storage connections in Texas. Explore the latest solar innovations in the Midwest. Join our mailing list to hear about the latest event updates! This February 18 and 19. Moment in the Kalahari Chinese engineer Deng Huan made waves in 2022 by deploying modular battery systems in remote villages. His team used second-life EV batteries (fancy term for recycled car batteries) to store solar energy. The result?

A 40% cost cut for off-grid communities. Talk about a.
