

Solar container sensor

Solar container sensor

Solar Powered GPS Tracker , Monitoring with ETA & Sensor Data

Our solar-powered tracker helps you monitor what truly matters in real time, whether you're managing trailers, containers, heavy equipment, or rental assets. Solar Power Is the ...

SolarLive: Solar-Powered Tracking Devices , Hanhaa

Built with global GPS tracking, motion detection and 5 optional sensors, ready to be mounted and deployed on any shipping container. SolarLive is the one and only solution for long distance tracking.

Shipping Container 15W Solar LED Light with PIR Motion Sensor

About this item ?High-Performance 15W Solar Light?Our newly released 15W Solar LED Light with PIR Motion Sensor delivers powerful brightness at 1600 lumens, making it the brightest solar light in ...

No.1 Capacity Solar Container , Solarabox

The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power. It is the perfect alternative to unstable grid power and ...

Clean FLEX (CAM) Fill Level Sensors , Ecovision ...

Sensor fill-level including a camera for digital photos of fill levels Clean FLEX (CAM) smart waste bin sensor is compatible with any type of container installation to ...

Solar Light Kit , Eco Lighting for Shipping Containers

Description This solar light kit offers an affordable solar light system perfect for providing solar powered security light solutions in shipping containers, isolated ...

Shipping container lights (Magnetic fix, Motion sensor)

Battery powered, motion sensor LED lights with magnetic fix. No wiring needed, easy to use and install UK Delivery Included (more info below) Massive saving ...

Orbcomm CT-1010 Smart Container Tracking Device

All-in-one smart tracking device for dry containers. Powered by solar energy with a built-in backup battery, it supports semi real-time location tracking both domestically and internationally. A key ...

2MW / 5MWh
Customizable

Solar Floodlight for Shipping Container , Portable Space

Powerful LED flood light charges during the day via its built-in solar panel and at night the PIR sensor turns on the floodlight when it detects movement.

15W Solar LED Light with PIR Motion Sensor -- ...

Upgrade your outdoor lighting with our 15W PIR Sensor Solar Light -- delivering 1600 lumens of bright, energy-efficient illumination. With motion detection, ...

Solar Lights for shipping container

Solar lighting kits can be customized to suit your lighting needs o More lights or different types of lights, eg: strip lighting or extra outside work lights o Extra motion sensors for long containers with divided ...

15W Solar LED Light with PIR Motion Sensor -- Quickfit Container ...

Upgrade your outdoor lighting with our 15W PIR Sensor Solar Light -- delivering 1600 lumens of bright, energy-efficient illumination. With motion detection, adjustable angles, and 3 easy installation ...

SolaraBox Solar Containers , Products & Configurations

A mobile solar container is a factory-built, transportable unit that integrates solar panels, battery storage, and power controls--providing plug-and-play, rapid-deploy clean electricity for remote sites, events, ...

Smart Shipping Container Climate Control & Advanced Sensors

Among the most finite elements of a container's climate control systems, advanced sensor technology can mean the difference between a smart shipping container that does its job vs. one that ...

Containertracking

Humidity Sensor Humidity sensor for monitoring moisture-sensitive transport goods. Burglary Sensor Burglary sensor for additional security of the transported goods. Shock Sensor Shock sensor ...

Heavy Duty Shipping Container Lock with Remote Access

Solar-powered shipping container lock with remote unlocking, cargo theft alerts, and BLE climate sensors. Built to secure trailers, containers & heavy equipment.

LPW48V100H
48.0V or 51.2V

Dry Container - Globe Tracker

Fast and easy installation with no ladder and minimal tools. Tamper detection to detect removal from the container door. The device can detect and report if the container is empty to help optimize container ...

SolarLive: Solar-Powered Tracking Devices , Hanhaa

SolarLive is our solar powered GPS Tracker that has been specifically designed with shipping containers in mind. It's built for flexibility, longevity and extreme ...

Smart Shipping Containers , Revolutionizing Climate Control

Automated temperature control systems use sensor data to dynamically adjust temperature, humidity, and airflow, ensuring stability within the container. The integration of Internet ...
