At NGF Limited, we provide a wide range of portable solar products, home systems, solar fans, and street lights. Our solutions are designed to offer sustainable and efficient energy alternatives for every need. Illuminate your spaces and enhance your comfort with our reliable and eco-friendly solar technology.

Sun King Home Systems » Home

Experience the reliability and efficiency of Sun King home solar systems. Our innovative solutions provide sustainable energy for your home, ensuring you have access to power day and night. With options to expand your system as your energy needs grow, Sun King makes it easy to embrace solar power.

Papua New Guinea

Higher LNG production was offset by lower condensate production. Both crude oil prices and gas prices have steadily declined from their mid-2022 peak. Despite this trajectory, the price of most of PNG's exported commodities remained high relative to historical standards, including crude oil and gas, according to the World Bank.
