Top Solar Equipment Distributors in Cambodia

At the moment, Cambodia enjoys a good presence of solar product producers and suppliers. It also has three sea ports and a healthy logistical network. These make it possible to import or export solar products whenever the need arises. They also place Cambodia's solar market in a better position for growth as the nation looks to the future.

Khmer Solar

Our mission is to assist in the development of Cambodia by providing customers with reliable, high quality solar electric systems at a reasonable price with excellent customer and technical services.
