Solar panel company uk Guernsey

Solar PV Installation , Island Electrics Services

Solar panels can help lower your electricity bills and they only require daylight to work, even if the sun is not shining you are still getting free electric! Here at Island Electrics Ltd, we can help consult and advise on what would be best for your property as well as look after your installation with full servicing.

Our Services

We specialise in technically perfect, great-looking solar photovoltaic installations in Guernsey, from initial survey, to design, installation, test certification, final

Renew Guernsey

Every solar panel we install, every watt of clean energy harnessed--it's a step toward a zero carbon world. From our initial consultation to the final installation, every step of our process is guided by:
