### Solar Bermuda

Sunny Side Solar donates all of its net profit towards providing solar for low income households struggling to pay their electricity bill,

registered charities and important civic institutions. We have installed over 65 solar systems over 4 years

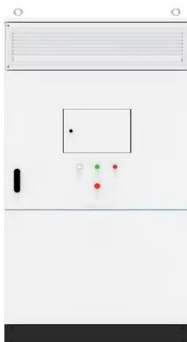

### **BE Solar , Solar Electricity Systems**

BE Solar offers the best in solar electricity systems for Bermuda's harsh climate. We carry modular, completely interated systems that are designed to expand with your growing needs or repair and replace over time.

### **SOLAR - BAC Group**

Our advanced Solar Photovoltaic (PV) systems transform sunlight into real savings, slashing your energy bills and reducing your carbon footprint. Now is the time to make the switch to solar and experience the benefits of sustainable, cost-effective power.

### **Residential Solar - Alternative Energy Systems (AES)**

At AES, our tailored residential solar solutions bring the benefits of solar energy to homeowners by reducing your electricity costs and promoting energy independence. We are confident in our ability to design and install a system to meet the energy goals of each individual client we serve.

## Understanding solar power in Bermuda

A home with significant daytime electricity use creates greater savings than a home where everyone is out all day and, in larger, high consumption, homes, solar may offset enough of the bill to drop it into a lower tier with a lower rate, while a smaller home, already in the lower tier, effectively saves less.

## SOLAR - BAC Group

Uncover the epitome of solar technology with our pioneering sustainable living solutions, showcasing leading-edge solar photovoltaic (PV) systems, state-of-the-art solar panels, battery storage, and electric vehicle charging.

## Solar World Bermuda

Our experienced team designs a customized solar solution that aligns with your energy requirements and budget. We offer a range of solar products, including Solar Power Generators, Direct Current Refrigerators, Direct Current Water Pumps, Portable Solar Panels, Fixed Solar Panels, and Sun Tracking Solar Panel mounts.
