Solimpeks solar gmbh Cayman Islands

Solimpeks

At Solimpeks outdoor test bench, the solar products are subject to extreme climate conditions and endurance tests. More than enough tests of the overall system's compound of collector are strictly applied at the end.

Solimpeks

Solimpeks is a Turkish company dedicated to manufacture and market solar thermal and photovoltaic thermal hybrid solar collectors worldwide. The company's broader product line is exported to 60 countries, with European Union countries comprising about 70% of sales.

 LFP 280Ah C&I

Solimpeks

Solimpeks beginnings date back to 2001. The well-educated partners accelerated the growth in a short time and carried the competition outside of Turkey. Now the company is the world's leading manufacturer of high-quality solar thermal collectors, pv-t hybrid collectors, thermosiphon systems and related mounting systems.

Solimpeks Catalog

Solar power is as ancient as the world we live in, so under the sun nothing is new. However, converting sunlight into more useful forms of energy is a constant research and development

process, even today. Solimpeks knows very well the importance of R& D for converting solar power into heat and electricity eEURciently.
