The utilization and potential of solar energy in Somalia: Current ...

In many countries, including Somalia, excessive reliance on fossil fuels is a serious concern. Continually, the desire to get relatively cheap energy by mainly burning coal is stronger than the desire to maintain a good state of the environment [[22], [23], [24]].The study aimed to assess the status of solar energy utilization in Somalia, one of the world's least ...

Does Somalia Tax Solar Imports? : r/Somalia

I would love to know more information about import duties in Somalia and the solar industry.

Currently, solar panels cost about 12 cents per watt from China, but Somali businessmen sell it for 45 cents a watt. I understand a business has expenses and shipping cost and employees.
