South Africa: South Gauteng High Court, Johannesburg

I admit that PowerOak has engaged in commercial activity within South Africa, including contractually with Corex, to distribute its products within South Africa, but I deny that this founds the requisite jurisdiction of the above court for the relief sought.

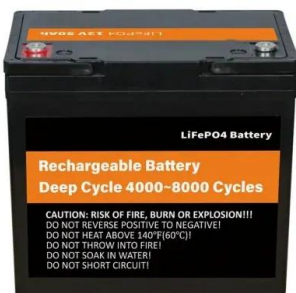

PowerOak

PowerOak operates as a portable solar power station manufacturer. It focuses on the research and innovation of distributed energy storage products and microgrid technology. The company was founded in 2013 and is based in Shenzhen, China.
