An Initiative to Develop Solar Energy Microgrids Across the Family

This initiative involves developing solar energy microgrids across the Family Islands. This also encompasses the Government's goal of The Bahamas having a 30 per cent renewable power generation by the year 2030.

Spirit House has been entirely

Spirit House has been entirely Solar powered since 2006. We survived a direct hit from Hurricane Irene in 2011 with no loss of power. Kudos to Prime Minister Minnis for working towards making the
