SUNation Energy review by Stephen A

SUNation is hands down one of the best companies I have ever dealt with. The communication, sales process and installation was all top notch. Our salesman Rohan was absolutely fantastic and did a great job explaining everything to us and keeping in touch. The installers were very prompt, professional, and courteous.

SUNation Energy Reviews

Over the course of almost 8,000 projects since inception, SUNation has installed over 275,000 solar panels representing 92 MW of clean, carbon-free solar power. Their continued success is deeply rooted in the ...
