Sunshine energy Niue

The Government of Niue , Groundbreaking ceremony commences ...

Today, the Deputy Prime Minister of New Zealand, Rt Hon. Winston Peters is here to break ground on what will become a cornerstone of Niue's renewable energy infrastructure. The new power station, funded through contributions from both Australia and New Zealand, is slated for completion and commissioning by mid-September.

Sunshine Energie

As we are experienced renewable energy developers, an important element we use is sunlight. Solar power is a clean energy source that has no smell, no sound and no waste product. Solar modules can be recycled for 99% and they can be combined with other uses at the same time.
