December 5, Hoypower Energy Co., Ltd. announced that it plans to invest RMB 1.45 billion (RMB) to build an integrated intelligent manufacturing base for energy storage systems. The project is located in Liandu District, Lishui City, Zhejiang province, and it is planned to start construction in 2023.

HOYPOWER commences construction of ESS manufacturing base

HOYPOWER has announced that it has officially commenced construction of a 10 GWh energy storage system manufacturing base in Lishui, China. At a total investment of 8 ...

Grid Connected Inverter
Single Phase Hybrid

- 5 Year Warranty Period
- 8 Year Global Leading Inverter Brand
- Top 3 World Single Phase PV Inverter Supplier

HoyPower Energy Co., Ltd. , Solar Components , China

As a leader in the global power industry, we focus on the research and development of lithium-based energy storage systems and provide market-leading energy storage products and services. We offer a safe, cost-effective, scalable, and reliable battery energy storage system designed specifically for C& I, Residential, utility-scale, and microgrid

Hoypower Energy Co.,Ltd.

Hoypower Energy Co.,Ltd. is a leading integrator

for energy storage systems held by Hoymiles. Hoypower offers energy storage products, solution and services around the globe. Hoypower is committed to the best energy storage solutions with a focus on innovation.
