### Company

At ESY SUNHOME, we leverage over 20 years of industry expertise to design and manufacture cutting-edge energy storage solutions that meet the demands of modern living. Headquartered in Shenzhen, China, our company has grown into a global leader in battery and power supply technology, with a commitment to innovation, quality, and sustainability.

### Products

The ESY SUNHOME HM series intelligent residential energy storage system integrates an inverter, battery, and Internet connectivity. It seamlessly connects to the power grid, photovoltaic panels, and mobile devices. This innovative system delivers reliable electricity to households, small businesses, and farms.
