Find company research, competitor information, contact details & financial data for SYL (Ningbo) Battery Co., Ltd of Ningbo, Zhejiang. Get the latest business insights from Dun & Bradstreet.

An Introduction to SYL Battery

The 1500V high-voltage energy storage battery system developed by SYL independently is the first 280Ah battery system that passed the UL 9540A test in China. With its advantages of energy storage battery technology, SYL is

capable of offering BESS solutions for Renewable Energy Smoothing, Peak Shaving, Frequency Regulation, Microgrid, Backup

Flexible Deployment According to The Site Layout

The 1500V high-voltage energy storage battery system developed by SYL independently is the first 280Ah battery system that passed the UL 9540A test in China. with it's advantages of energy storage battery technology, SYL is capable of Offering BESS solutions for Renewable Energy Smoothing, Peak Shaving, Frequency Regulation,

SYL(NINGBO)BATTERY CO., LTD.

SYL(Ningbo) Battery Co., Ltd. is a subsidiary of the Risen Energy Group. Focusing on li-ion battery energy storage for more than ten years, the company is committed to become the world's leading full-application energy storage system solutions provider, with annual production capacity of 15GWh+.

SYL (Ningbo) CO., Ltd.

SYL Battery, a subsidiary of Risen Group, focused on Lithium-ion Battery for more than 15 years and is one of the world's leading suppliers for "Energy Storage +" Smart System. SYL covers a ...

SYL(NINGBO)BATTERY CO., LTD.

SYL has focused on lithium batteries for 16 years, with an annual production capacity of 8GWh+, and has more than 200 senior battery technology R& D and system integration engineering employees on board. SYL is devoted to being one of the world's leading suppliers for "Energy Storage+" smart energy systems.

SYL (Ningbo) CO., Ltd.

SYL Battery, a subsidiary of Risen Group, focused on Lithium-ion Battery for more than 15 years and is one of the world's leading suppliers for "Energy Storage +" Smart System. SYL covers a full spectrum of product line, including C& I, Residential, and large scale utility ESS.

SYL Battery

SYL Battery is a high-tech company focused on the research, development, production, and service of battery energy storage systems (BESS) within the energy sector. The company offers a range of BESS solutions for applications such as renewable grid connection, frequency regulation, micro-grid, backup power, peak shaving, and black-start, as

Risen Energy signs global strategic cooperation with SMA on ...

SYL Battery, a subsidiary of Chinese solar product provider Risen Energy recently has signed a 1 GW global strategic cooperation agreement with SMA Solar Technology AG. The two sides will conduct extensive cooperation on commercial and ground-based energy storage power station projects around the world.
