### Solar Energy Businesses in Syria

LAVA is a company in Syria that produces solar water heating systems. 1979, was the year when LAVA introduced this industry among few in the Syrian market. We have commissioned a lot of projects in Syria, Lebanon and Saudi Arabia. LAVA offers 10 years of warranty as a proof of our superior quality.

### ABOUT US

Solar energy has the potential to empower people and communities, is environmentally friendly, and accelerates peace by breaking the vicious cycle of diesel-funded violence. Independent solar projects have been a humanitarian success in post-disaster Haiti, the Gaza strip, post-disaster Nepal and many other places around the world.
