Why Lumos?

Lumos Solar was founded in 2006 with the mission of helping solar become a mainstream energy source. We saw a need in the market for solar products that are highly functional, efficient, and also beautiful. We take a systems approach to design, thinking about how our products will be installed and used.

Top Solar Panel Manufacturers Suppliers in Tanzania

Lumos Solar. Founded in 2006, Lumos Solar is committed to facilitating the widespread adoption of solar energy as they believe that this is the way to ensure the future health of our planet.

From Generators to Solar Energy: the Power Revolution ...

By using solar power solutions, Lumos users can reduce their dependence on fossil fuels, decreasing their carbon emissions in the process. Indeed, Lumos uses solar power that produces

no greenhouse gases, toxic ...
