

# Tax ratio of solar container power stations

## Overview

---

The US Treasury updated a table last week that is used to calculate the domestic content of solar, onshore wind and storage projects to determine whether they qualify for bonus tax credits. The updated table is in Notice 2025-08. Under the law prior to OB3, section 45Y allows a PTC for electricity produced by the taxpayer at a qualified facility and sold to an unrelated person during the tax year. The credit is also available where the electricity is consumed or stored by the taxpayer if the facility is equipped with a. Before the Inflation Reduction Act (IRA) was enacted in 2022, BESS could only access federal tax credit funding when powered by solar and required the business-owned storage to be charged with solar 75 percent of the time. The IRA expanded the investment tax credit by eliminating the requirement. The US Treasury updated a table last week that is used to calculate the domestic content of solar, onshore wind and storage projects to determine whether they qualify for bonus tax credits. The updated table is in Notice 2025-08. The updated table applies to domestic content calculations starting. On July 4, 2025, President Trump signed into law the One Big Beautiful Bill Act (the OBBA), which significantly rolls back many of the core tax incentives that clean energy projects have relied on since the passage of the Inflation Reduction Act in 2022. Under the new law, tax credits for wind and. The taxation imposed on energy storage power stations varies significantly based on several factors including jurisdiction, the nature of energy storage technology deployed, production. A factsheet on energy taxation for energy products provides more detailed figures. The Commission report from. The tax levied on the output value of energy storage power stations can vary significantly depending on several factors, including the jurisdiction and prevailing tax laws. 2. Generally, energy storage systems may incur taxes such as corporate income tax, local property tax, and sales tax, which.
