

The bidder for the brunei port power plant solar container project

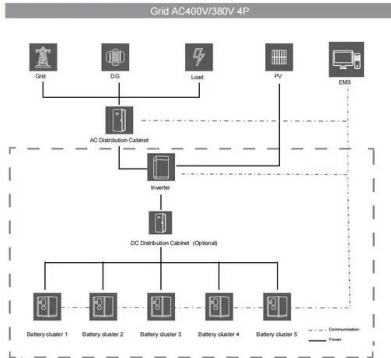

Overview

Brunei, 16 June 2025 – Regional clean energy infrastructure developer, Solarvest Holdings Berhad (“Solarvest” or the “Group”), through its wholly-owned subsidiary, Atlantic Blue Sdn Bhd, has secured Brunei’s largest national solar project via a joint venture company, Seri Suria. Malaysia’s Solarvest Holdings has signed a 25-year power purchase agreement with Brunei through its joint venture Seri Suria Power, which will invest in, build and operate a 30MW solar photovoltaic power plant, the largest in Brunei on its completion by end-2026. The plant will be developed on a. Brunei, 16 June 2025 – Regional clean energy infrastructure developer, Solarvest Holdings Berhad (“Solarvest” or the “Group”), through its wholly-owned subsidiary, Atlantic Blue Sdn Bhd, has secured Brunei’s largest national solar project via a joint venture company, Seri Suria Power (B) Sdn Bhd. The signing ceremony for the 30MWac solar photovoltaic power plant in Brunei. (Photo by Solarvest) KUALA LUMPUR (June 16): Solarvest Holdings Bhd (KL: SLVEST) has, via a joint venture (JV) company, secured a 25-year power purchase agreement (PPA) with the government of Brunei to invest in, build. Brunei is set to develop a 30-megawatt (MW) solar power plant, marking a significant step forward in the country’s renewable energy ambitions. The project will be led by a newly formed joint venture, Seri Suria Power (B) Sdn. Bhd., which will oversee the construction and operation of the facility. The project, to be developed on a remediated landfill site in Kampong Belimbing, marks a significant step forward in Brunei Darussalam’s renewable energy efforts. Present as guests of honour were Minister at the Prime Minister’s Office and Minister of Defence II Pehin Datu Lailaraja Major General. A joint venture partly owned by a subsidiary of Malaysia’s Solarvest will build Brunei’s first utility-scale solar plant under a 25-year power purchase agreement (PPA) with the Brunei government. A 30 MW solar park is under development in Brunei. Seri Suria Power (B) Sdn. Bhd., a newly formed joint.
