## The powerstore Croatia

---

### PowerStore: Guides and Reference Materials , Dell Croatia

You can find the latest versions of the documentation resources on the PowerStore technical documentation page at PowerStore Documentation. Also see KB PowerStore: Info Hub - Product Documentation & Videos. Self service procedures for PowerStore and reference material can be found at SolVe Online.

### PowerStore Getting Started Guide , Dell Croatia

This video will help you get your PowerStore system out of the box and into the rack. We'll also show you how to discover the new system, and complete the initial configuration process.

### PowerStore: Unable to access the PowerStore Manager user

With PowerStoreOS version 3.0, the PowerStore Manager user interface (UI) can only be accessed using the Cluster IP. The PowerStore Manager UI cannot be accessed using the individual Node IPs, Appliance IP, and service port (128.221.1.250 and 251).

### Battery storage system , Koncar

In September 2020, KONCAR commissioned the 3.5 MW Vis SPP, the largest solar power plant in Croatia at the time. In November 2020, we

contracted the development of the 1 MW battery storage system (BSS) that can store 1.44 MW of electricity.
