Tonga eikto battery co ltd

ANHUI ELKTO BATTERY CO., LTD.

Founded in 2006, Anhui Eikto Battery Co., Ltd. ("EIKTo") is a high-tech enterprise that specializes in the research & development, production, and sales of lithium-ion batteries, and provides overall lithium-ion battery application solutions for the world. The group's business covers construction machinery, industrial vehicles, and new energy ships.

China EIKTO Battery Co.,Ltd. company profile

China Quality Forklift Lithium Battery and Yacht Lithium Battery suppliers EIKTO Battery Co.,Ltd., We are committed to providing high quality products, Which have been sold worldwide at low prices. Leave a Message

Eikto Battery co., Ltd. , LinkedIn

Established in 2006, EIKTO is a leading lithium battery innovator, we are specialized in Lithium-ion battery technology development and manufacturing, our integrated PACK is suitable for

Why EIKTO

All-in-one Battery Module especially for Heavy Duty Application; Fully Laser Welding for robustness and anti-vibration. Standard Product to be universal for 90% forklift models; Great

convenience for battery pack service due to a modular design.

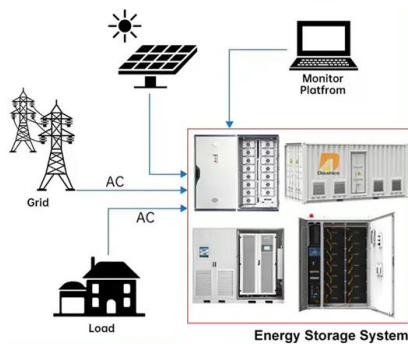

Eikto

EIKTO is a leading lithium battery innovator, we are specialized in Lithium-ion battery technology development and manufacturing, our integrated PACK is suitable for forklifts, marine, heavy trucks and battery energy storage system (BESS). We contribute to global low-carbon emissions, and to promote the development of the clean energy.
