Contact Us

We are a small team of closely-knit professionals from different backgrounds and experiences headquartered in Huddersfield UK. We strongly believe in a renewable future and we look to technology to solve many of society's non renewable problems.

U Energy

Since 2010 U Energy have been at the forefront providing solar power and green energy technology to people and businesses within Yorkshire and the rest of the UK. We provide the opportunity to make an investment into producing your own energy and become more energy dependant at a lower cost than paying for energy generated from burning fossil
