

# Water storage financing

## Overview

---

These programs include loan and grant funding for construction of drinking water treatment and distribution systems, municipal sewage conveyance and treatment systems; water recycling facilities; remediation for underground storage tank releases and groundwater contamination;. Proposition 1 of 2014 dedicated \$2.7 billion for investments in water storage projects. The California Water Commission is administering the Water Storage Investment Program (WSIP) to fund the public benefits associated with these projects. Proposition 4 of 2024 provided an additional \$75 million. The Division of Financial Assistance (DFA) has the lead in administering the State Water Resources Control Board's financial assistance programs. These programs include loan and grant funding for construction of drinking water treatment and distribution systems, municipal sewage conveyance and. We are pleased to offer self-storage loans for the purchase or refinance of self storage properties nationwide. Select Commercial specializes in self-storage and mini-storage financing. Self storage is an industry where rooms, lockers, containers, and/or units are rented on a short term basis to. The best self-storage loans will have a combination of low rates, long repayment terms, and low down payment requirements. Many of these lenders should also offer quality customer service and flexibility in qualification requirements. Since the best self-storage loan will depend on how your company. WASHINGTON, DC—Today, Congressman John Garamendi (D-CA-03) introduced legislation (H.R. 2979) making low-interest federal financing available for reservoir and drought resiliency projects, with Congressman Dan Newhouse (R-WA-04) as the original cosponsor. This bipartisan legislation (H.R. 2979). Together, these strategically important programs provide Metropolitan with the operational flexibility to store water when it is available and deliver it to our communities in dry years. Our water rates, which recover the cost of providing reliable water service to our member agencies, are.
