

Xinke outdoor solar container power supply complaint

Overview

File a complaint, leave a review, report a scam. But with this expansion, has come an increasing number of disgruntled solar customers that are posting bad reviews about solar companies online, filing complaints with agencies such as the Better Business Bureau (BBB), state consumer protection departments and Attorney Generals, and even taking. Tips for selling your used items online Report scams or browse existing reports. Help protect others from fraud. BBB helps consumers and businesses in the United States and Canada. Find trusted BBB Accredited Businesses. Get BBB Accredited. File a complaint, leave a review, report a scam. We provide a free and impartial service that aims to resolve disputes between consumers and suppliers in the energy sector. If you're having issues with your energy supplier, energy broker, network operator, green deal or heat network supplier, we may be able to help resolve your dispute. Our. I purchased the Anker Solix F3800, mainly to have a mobile all-in-one for welding and other shop-related work. When delivered, my wife accepted the delivery and when I got home, I noticed the box was damaged, not a big deal at that point. When I took out the unit, I noticed whatever damaged the box. Part (1) : I need a portable solar panel that will lay flat. If it is upright it will probably cause glare and complaints from neighbors. Part (2): I'd like to use the panel to charge a phone charger battery. If I leave an average battery outside (e.g. a 10,000 mAh Anker power bank) on the patio. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design.
