Energy Snapshot

TY - GEN. T1 - Energy Snapshot - British Virgin Islands. AU - NREL, null. PY - 2020. Y1 - 2020. N2 - This profile provides a snapshot of the energy landscape of the British Virgin Islands (BVI), one of three sets of the Virgin Island territories in an archipelago making up the northern portion of the Lesser Antilles.

BVI Moves Forward With Renewable Energy

In November 2018, the BVI brought into force Renewable Energy Regulations made under a 2015 amendment to the British Virgin Islands Electricity Corporation Act. The BVI is well positioned to generate several forms of renewable energy--wind, solar and hydro energy being the most obvious. Consumer-generated wind energy has been used on the outer

the b.v.i. electricity corporation is hereby notifying customers on anegada that there ws a disruption of electricity supply to the entire island from 6:00pm on sunday, march 10, to 7:00am on monday, march 11.

Everything You Need to Know About Willy T's Floating Bar in the British

The William Thornton Floating Bar & Restaurant, affectionately known as Willy T's, is a legendary Caribbean bar that rides afloat a rather convincing pirate ship - loaded with grog and grub. Revellers wishing to eat, drink and be merry can find it bobbing in The Bight anchorage at Norman Island in the British Virgin Islands. Here's everything you need to know ...

National Energy Transition Strategy Priorities Discussed

The priorities for the development of the British Virgin Islands National Energy Transition Strategy were discussed when the National Energy Strategy team met on Tuesday, February 13. The priorities include resiliency, reliability, low cost, environmental stewardship, and job and industry creation will shape how the Territory continues to

Renewable Energy

Minister for Communications and Works Honourable Kye M. Rymer is featured as he held a press briefing on Thursday, April 18 with local media to provide an update on his recent attendance at the Seatrade Cruise Global 2024 event, the BVI Electricity Corporation's (BVIEC)

renewable energy initiative and other matters of his ministry's portfolio.
